Twenty-four years ago LGC launched the very first awards scheme to recognise councils’ greatest achievements. Today these awards – judged by the biggest figures in local government – remain the ultimate indicator of excellence.

At this time of austerity, it has never been more important to enter the LGC Awards. Your team’s innovation can inspire service improvements on other councils while the awards offer an opportunity to offer recognition to your hardest working and dedicated employees.

Times are tough in local government, making it even more vital that the sector shares its most innovative ideas and recognises the work of its pioneering staff through the LGC Awards.

The LGC Awards are all about celebrating talent which often does not receive the recognition it deserves.

ENTRY IS FREE AND EASY

1. Visit awards.lgcplus.com
2. Select which categories you wish to enter
3. Register your details
4. Complete and submit your entry by 4 October

It is a fantastic opportunity to gain peer recognition for your council and raise your profile nationally.
